

11 October 2017

Dear Parent/Carer

Assalamu alaikum/ Peace be upon you

Geography Field Trip to Hothersall Lodge (Preston)

Tuesday 31st October for boys in Set 1 and 2

Wednesday 1st November for boys in set 3, 4 and 5

You will be pleased to here that Year 7 have made an excellent start in Geography this year. As part of developing their understanding of the current topic of mapping skills further, we have arranged for all of Year 7 to visit a field studies centre in Preston. The boys will be taking part in activities such as orienteering and team building. The centre would like all parents to be aware that: *'We place great emphasis on safety throughout our programmes by employing qualified and experienced teachers and instructors (to Adventurous Activity Licensing Authority guidelines)'*

The total cost of the trip for parents is £20 per child. This is the cost of the centre; school will be paying for the travel costs.

Arrangements are as follows:

- Boys must wear appropriate outdoor clothes for the trip – this must include a rain proof coat and sensible footwear.
- All boys are expected to bring a packed lunch for the day – boys that receive a free school meal will be provided with one.
- Boys must arrive at school by 7.45 am and meet Mrs Bashir in the Prayer Hall
- We will (IA) depart from school by 8.00am ready to start our day of active learning by 9.00 am
- We will (IA) be back at school by 3.30 pm (please see attached consent form for arrangements for boys making their way home after the trip). If we are delayed for any reason school will send out a text message to all parents.

Please complete the attached consent form and ask your son to return it to Mrs Bashir in room 0.4 by Thursday 19th October. Payment will be required via the ParentPay website. No cash can be accepted.

Should you have any questions, please do not hesitate to contact me.

Yours sincerely

Mrs Sara Bashir
Director of Learning (Humanities)
