Introduction

1. The government's strategic response to COVID-19 was to enforce social distancing in order to reduce people's exposure to the virus and stall its spread. As a result, from 20th March 2020, schools were closed to all pupils except for those classified as vulnerable, those with Education, Health and Care plans (EHCPs) and children of key workers critical to the COVID-19 response.
2. During their prolonged absence from school, pupils have suffered from significant changes to their learned routines, daily structure, social and behavioural norms. Pupils have potentially forgotten the habits and expectations which are intrinsic to the culture of the school. Leaders and governors are aware that COVID-19 has the potential to impact on the mental health of pupils and their family members; this in turn can affect a pupil's behaviour.
3. Culture is created in our school by establishing behavioural norms and ensuring that these are taught explicitly and over-corrected where necessary to ensure that the school is a calm, orderly and disciplined environment where rules are followed to enable excellent teaching and learning to take place. We are resetting the culture in response to the enforced COVID-19 disruption by introducing new behavioural norms and routines around protective measures and personal hygiene clearly and accessibly.
4. This addendum supplements the current Behaviour Policy and replaces the previous version. It is in response to the Government's statement on 2nd July 2020 that it the plan that all pupils, in all year groups, will return to school full-time from the beginning of the autumn term. It identifies the minimum behavioural norms that are expected during the coronavirus pandemic.

Guiding principles

5. **Behaviour will be taught.** Routines, expectations and proxies for control will be taught explicitly by school leaders. The teaching of behaviour will be clearly planned. The Headteacher is responsible for ensuring that this teaching is effective. All staff are responsible for ensuring that the training they receive culminates in the rigorous and consistent application of the new procedures across the school.
6. **Proactive risk management will reduce potential for poor behaviour.** We will make intelligent use of our data using behaviour risk registers to predict behavioural habits and anticipate risks, rather than simply reacting to situations. Separate risk assessments will be produced for pupils who exhibit challenging behaviours.
7. **Communication with pupils will build their confidence.** Leaders and governors will ensure that appropriate and effective measures are in place for communicating with pupils about their expected behaviour upon returning to school. These will include video tours, online materials and other means. The communication will be tailored so that it is age-appropriate and takes account of pupils with special educational needs and/or disabilities.
8. **Parents will be fully informed.** Leaders and governors will ensure that appropriate and effective measures are in place for communicating with parents about the expected behaviour to be shown by pupils upon returning to school. The school will encourage parents to share concerns and ask questions.
9. **Boundaries will be clear.** We will teach pupils that they have a responsibility to keep themselves and others safe. We will apply our rules consistently, rigorously and fairly so that pupils know that the consequences of their behaviours, both positive and negative, are inevitable.

Key priorities

10. Vulnerable pupils include children who are disabled and those with Education, Health and Care plans (EHCPs) or those who require additional support: for example, pupils with mental health needs or attendance issues. These pupils remain a key focus group and will receive a risk assessment.
11. Leaders and governors will build confidence among parents, pupils and staff around the safe reopening of school to pupils.
12. Leaders and governors will ensure that the guidance from Public Health England is followed meticulously.

Behavioural norms

13. Behavioural expectations will be taught. The effective teaching of behavioural norms will build a safe and calm culture in which pupils will feel secure. Clearly established rules, routines and boundaries will be consistently applied.
14. Leaders and staff will be proactive in preventing poor behaviour and dealing with it in a consistent and fair manner if it occurs. Leaders will identify potential acts of poor behaviour and areas of school where these are likely to occur. They will plan mitigations of these risks.
15. During the reopening of the school, pupils will be taught in consistent year group bubbles. These groups or 'bubbles' will remain together for their time on the school site, in lessons and during social times.
16. Pupils will intuitively look for cues for behavioural norms. Leaders will respond in consistent ways to reinforce expectations, using the principle that 'what we permit, we promote.' Adults' behaviours will model best practice for pupils
17. A new document will be compiled detailing behavioural norms and contextual considerations. This document will set out the school's cultural expectations unequivocally, providing clear guidance on 'how we do things here.' The behavioural norms outlined will be taught explicitly and effectively and shared with parents/carers. They include:

Travel arrangements to school

- Teachers have the power to discipline a pupil for conduct outside the school premises which includes when they are travelling to and from school on public transport. We will ensure that protective measures are made explicit to pupils and that any infringements are sanctioned.

Arrival at school

- Arrival is managed by senior leaders with support from pastoral staff at each planned entry point. Pupils will arrive at staggered times in year groups. Leaders will split pupils so that groups use specified entrance points. Protocols for arrival will be consistently applied: entry to the school premises will be a positive and welcoming start to the day. The role of the senior leader is to ease tensions and anxiety, whilst ensuring that pupils are social distancing and that they wash/sanitise their hands upon entry. Leaders will coin their own phrases or scripts to embed new social norms. A plan will be in place for any pupils who arrive late to school.

Line up

- Pupils will socially distant from other year group bubbles when lining up. This will be achieved through well-planned locations, staffing and markings. Line-up will create a calm and controlled start to the school day and an opportunity to remind pupils about new routines and expectations. A signal for silence will be indicated by the raised hand of a member of staff. This will be the norm to support the management of a group. Designated staff will control the staggered entry into the building.

Movement around school

- Non-essential movement around school will be avoided. Leaders will introduce a toilet visiting rota for pupils to prevent mass queuing at break or lunch time and year group bubbles will have their own designated toilet. Leaders will implement a one-way system for occasions when restriction of movement around school cannot be avoided. Movement will be planned, with a pre-defined route. Staff will be on duty along the route to supervise the safe movement of pupils.

Classroom expectations

- Pupils will not be required to line up outside the classroom. Staff will welcome pupils into their classroom from a socially distanced position and maintain a physical presence near to the screen. Pupils will be made aware of their seating positions in advance of arriving at their room; this will prevent confusion and unnecessary wandering within the classroom. The seating plan is non-negotiable. Pupils cannot be loaned equipment or borrow from another pupil; a plan for new equipment will be in place to give to pupils. Textbooks and other loanable items will be cleaned and used on a 48 hour cycle.

Exiting a classroom

- Staff recognise the importance of a controlled exit. This will be rehearsed and modelled to make expectations clear. Pupils will be asked to stand behind their tables and will be dismissed from front to back. Pupils will be instructed that they must not wait for their friends from other year group bubbles.

Break time and lunch times

- Arrangements will be staggered to reduce risk and maintain social distancing measures between year group bubbles. Pupils will be encouraged to spend their break and lunch time outside, weather permitting, in zones and with the same year group bubble. A staffing rota will be in place to ensure supervision including, but not limited to, senior leaders and pastoral staff. Staff will supervise pupils and ensure that social distancing between year group bubbles is observed.

End of school

- Pupils will leave the classroom in the rehearsed manner. They will wash their hands, or if this is not possible, use hand sanitiser. Planned exit routes will be taught and rehearsed before implementation. Multiple exit points will be used to stagger the flow of movement. Pupils will be dismissed from school in their year group bubbles. Senior leaders and pastoral staff on duty will supervise the exit routes. Staff will provide a positive end to the day for pupils and remind them not to wait for their friends, especially those from other year groups. Any children who are travelling using school buses or contracted taxis will follow a plan to access their transport that includes socially distanced queuing away from other year

group bubbles. The collection of children by their parents is carefully planned. Parents will collect their children from designated areas, and they will be advised to maintain the social distancing rules.

Pupil code of conduct

18. The Code of Conduct for the school remains in place and serves as the foundation for pupils to take responsibility for their own behaviour in line with the school's values. The following expectations supplement the Code of Conduct:

- Arrive to school and leave to go home at the designated time using the designated entrance/exit route. Do not wait around for friends, especially those from other year groups and do not congregate. Speak to a member of staff if your parent or carer normally collects you and is not on time.
- Wash hands (or use sanitiser) upon entering and leaving school and after each lesson within the day. Wash hands regularly with soap and water during the day.
- There must be no physical contact of any type at any time. This includes horseplay, hugging, handshakes etc.
- Ensure that you 'catch it, bin it, kill it' when you cough or sneeze and avoid touching your mouth, nose and eyes.
- There must be no coughing or spitting at or towards any other person.
- Do not attempt to meet up with, or have contact with, pupils from a different year group bubble
- The seating plan in the classroom is non-negotiable and is in place for the safety of each pupil. Stick to the seating plan. Do not move tables or chairs and do not leave your seat without speaking to the teacher.
- At break and lunch times, go outside (weather permitting) or remain in a designated venue (if the weather is poor). Stick to zoned areas and maintain a safe distance from other year groups.
- Do not share belongings (food, stationery, books etc) with others and do not handle other people's belongings.
- Use the toilet designated to you, when it is designated. Only enter the toilets if there is a free cubicle. On exiting the toilet, wash hands thoroughly.
- In computer rooms, wipe the keyboard and mouse at the start of your lesson as instructed by the teacher.
- You must tell an adult if you feel that you are suffering from a high temperature, a new continuous cough or loss or change to your sense of smell or taste.

Behaviour management

19. There are occasions when staff will need to challenge behaviours which are not safe or not conducive to learning. In order to effectively challenge and improve behaviour, leaders will actively promote non-confrontational behaviour management. Staff will use praise and verbal reprimand accordingly.

20. A range of disciplinary measures will be implemented consistently, openly and fairly. The school reserves the right to apply the following measures:
 - verbal reprimand;
 - setting extra work or repeating unsatisfactory work for completion at home;
 - missing social times at break or lunch time;
 - detentions at break and lunch time but not after school or weekends;
 - being placed on a conduct or attendance report for monitoring and improving behaviour;
 - instigating a Pupil Behaviour Support Plan;
 - isolation to reduce the impact of behaviours upon other pupils and staff;
 - exclusion.
21. Isolation or 'Impact Centres' within the Binary System will be adapted to ensure the safety of pupils. Parents should be notified if their child is referred to isolation or the Impact Centre.
22. General principles for the safe running of impact centres/exclusion rooms in line with COVID-19 arrangements are as follows:
 - The capacity is set in advance according to spacing and social distancing guidance;
 - 2 metres plus social distancing are always to be enforced;
 - Pupils are not to be reintegrated to main bubbles during the day, so will return to their year group bubble the next day;
 - Breaks and lunches are to take place in the impact centre/exclusion room;
 - Any breaches of social distancing may result in a Fixed Term Exclusion.
23. If schools have the physical space in impact centres/exclusion rooms to retain the usual pupil capacity, the impact centre can be zoned by creating year group bubbles as long as the principles below can still be met:
 - The Impact Centre is to be zoned by creating year group bubbles;
 - 2 metres plus social distancing are always to be enforced between bubbles;
 - There is no need for social distancing within a bubble;
 - Pupils are not to be reintegrated to main bubbles during the day, so will return to their year group bubble the next day;
 - Breaks and lunches are to take place in the impact centre/exclusion room;
 - Any breaches of social distancing may result in a Fixed Term Exclusion.
24. Isolation is to be sanctioned by a senior leader for the following reasons:
 - for persistent or serious disruption or defiance;
 - for disruptive or red line behaviours in line with the binary behaviour policy;
 - to allow an investigation into a serious behaviour incident and whilst awaiting senior leadership intervention and/or a decision on next steps;
 - as a result of a referral from a middle leader, where behaviour in the subject has seriously disrupted the learning and or health and safety of others;
 - for a period of reflection following an investigation into a serious incident or persistent breach of the detention and/or reporting systems.
25. Deliberate failure to adhere to the protective measures will be deemed as a serious breach of the school's discipline policy, including breaking social distancing guidance between year group bubbles.

26. Coughing or spitting at or towards any other person will be deemed as a serious breach of the school's discipline policy. Any pupil who does this will need a risk assessment to establish whether they are 'unfit for school.'
27. Should pupils fail to comply with expectations within the isolation area, they may have additional time added to the sanction or in extreme cases, they may receive a fixed-term exclusion.
28. As part of a planned return to school following an exclusion, parents/carers will be expected to have a virtual meeting with a senior leader to discuss a reintegration action plan.

Reasonable adjustments

29. At certain stages in a child's or young person's school life they may struggle to access, or manage within, the typical provision offered by the school as a result of:
 - Social, Emotional and Mental Health Needs (SEMH) and/or;
 - Adverse Childhood Experiences (ACE);
 - Special Educational Needs and Disabilities (SEND).
30. Leaders and teachers within the school, with the support of the Special Educational Needs Coordinator (SENDCO), will be mindful of pupils' individual needs when issuing praise or sanctions for behaviours and when considering the impact of the new behavioural norms. They will be guided by the Education, Health and Care plans (EHCPs) for those pupils who hold them, or individual education plans / pupil support plans for those with additional needs but without an EHCP.
31. Leaders will make their best endeavours to ensure that pupils with additional needs are supported to meet the new expectations and behavioural norms. Reasonable adjustments might include, but not limited to:
 - preview of new behavioural norms and perhaps a visit to school;
 - additional support for the arrival and exits to school;
 - additional support to adhere to break and lunch time norms;
 - re-teaching behavioural norms;
 - adapted resources to teach behavioural norms;
 - adapted sanctions and rewards;
 - provision of interventions outside of their bubble within specialist rooms.
32. For pupils with special educational needs and/or disabilities, a risk assessment will be completed to ensure risks are mitigated in a safe way. Support plans will be updated as a result.

Exclusion

33. All exclusions will be made in line with Government Guidance and by following the Trust's Exclusions Checklist. Schools will have due regard for the implications of the following when making these decisions:
 - DfE – Exclusion from maintained schools, academies and pupil referral units;
 - DfE – Behaviour and Discipline in Schools;
 - The Disability and Discrimination Act;
 - Equality Act 2010;
 - Keeping Children Safe in Education;
 - Code of Practice for Special Educational Needs;

- The Children's Act (with particular reference to children in the Care of the Local Authority).
34. The decision to exclude will be:
 - Lawful;
 - Rational;
 - Reasonable;
 - Fair; and
 - Proportionate.
 35. The Principal will exclude from school only on disciplinary grounds. In their absence, a Vice Principal or Assistant Principal will carry out this function.
 36. It is unlawful to exclude on non-disciplinary grounds such as:
 - Academic attainment/ability;
 - Actions of a parent;
 - Failure of a pupil/parent/carer to meet specific conditions, such as, non-attendance at a reintegration meeting following an exclusion.
 37. A full and detailed investigation will be undertaken prior to a decision to exclude. A record of all written statements, including physical evidence, where appropriate will be retained for disclosure in the event that it is required.
 38. In deciding whether to exclude, the Principal will consider contributing factors resulting in poor behaviour. For example, bereavement, mental health issues, special educational needs or bullying.
 39. In accordance with the DfE Guidance, where a pupil is at risk of exclusion, the School will explore early intervention to address the underlying causes of pupil behaviour. This will include:
 - An assessment of whether appropriate support is in place to support any special educational needs or disability that a pupil may have;
 - The use of a multi-agency assessment for pupils who demonstrate persistent disruptive behaviour.
 40. Prior to a decision to exclude a pupil, the Principal should seek advice and guidance from the Trust's Admissions and Exclusions Team. The Chief Executive of the Trust will approve all permanent exclusions following advice from the Admissions and Exclusions' Team.
 41. Following a permanent exclusion, the school will notify the local authority and other appropriate agencies immediately. They will work in partnership to ensure that the child is found a place in another educational setting quickly.
 42. The school will notify parents/carers immediately by telephone of the decision to exclude. The decision will be communicated in writing without delay. An exclusion should be taken as having 'occurred' on the first day of the exclusion (not the date when the decision to exclude was made or communicated).
 43. The exclusion letter will note the following:
 - if an exclusion is fixed or permanent;
 - if fixed period, the duration of the exclusion;
 - the reasons for the exclusion;
 - the right to make representation to the Local Governing Body and how the pupil may be involved in this;

- contact details for making representation to the Local Governing Body and where it is a legal requirement to meet and the date by which the meeting will take place, that the parents have a right to participate in a meeting and to be represented at the meeting and/or bring a friend;
 - meetings will take place via remote access, if the conditions for such a meeting are met, or in person if it is safe and practicable to do so. This will be discussed with the parent and the Local Governing Body. **See below**;
 - arrangements made by the school for the pupil's education including the return of completed work to school;
 - where alternative provision is arranged, information about this provision will be included or in a follow-up correspondence but no later than 48 hours before the start of the provision;
 - dates that the excluded pupil must not be present in a public place during school hours;
 - sources of free and impartial advice.
44. Due to Covid-19, temporary changes have been made to the DfE regulations to some of the procedures that must be followed in relation to an exclusion. These are listed below.

Remote access meetings

45. When the Local Governing Body or Independent Review Panel have to meet to consider an exclusion they can do so by telephone or video - conference software ('remote access') as long as certain conditions are met.
46. The conditions are that it is not reasonably practicable for the meeting to take place in person, within the usual timescales, because of Covid-19, and the Local Governing Body (or arranging authority if the meeting is an Independent Review Panel), is satisfied that:
- all the participants agree to the use of remote access;
 - all the participants have access to the technology which will allow them to hear and speak throughout the meeting, and to see and be seen, if a live video link is used;
 - all the participants will be able to put across their point of view or fulfil their function;
 - the meeting can be held fairly and transparently via remote access.
47. It is the responsibility of the Local Governing Body or the arranging authority in the case of an Independent Review Panel to make sure these conditions are met before a meeting takes place.
48. The Local Governing Body or arranging authority in the case of an Independent Review Panel should assess the facts of the case, the circumstances in which a meeting could be expected to take place, the needs of intended participants (as far as this is possible), and the latest public health guidance when determining whether it would be reasonably practicable to meet in person.

Arranging a remote access meeting

49. The Local Governing Body or arranging authority should explain the technology they propose to use to participants and should make sure that the participants (particularly pupils and their families) know that they do not have to agree to a meeting via remote access if they do not want to. They should make families aware that if they do not consent to a remote access then the meeting is likely to be delayed.
50. Though all participants must have agreed to the use of remote access, where a parent or pupil has given their agreement for a meeting to be held via remote access, the other participants should make reasonable efforts to accommodate that preference unless there is a clear reason not to.

51. The normal requirements of who should be invited to a Local Governing Body or Independent Review Panel meeting remain in place. However, those who have no intention of taking part in the meeting should not be treated as 'participants' for the purposes of the conditions set out above.
52. The Local Governing Body, arranging authorities and panel members must comply with relevant equalities legislation and recognise that some participants may find it difficult to participate in a remote access meeting (for example, if someone has a disability or if English is not their first language).
53. If a meeting is held via remote access, every effort should be made by the chair to check the participants understand the proceedings and can engage with them, to ensure the meeting is conducted fairly. If, once the meeting starts, the meeting cannot proceed fairly (for example, because a participant cannot access the meeting), the Local Governing Board or Independent Review Panel should adjourn the meeting.
54. The use of remote access does not alter other procedural requirements that may apply to the Local Governing Body, arranging authorities or Independent Review Panel. For example, if a parent requests the appointment of a special educational needs expert (SEN) to advise a review panel, the Trust must appoint one and cover the cost as normal. Parents may bring a friend or representative, as normal.
55. Though the Local Governing Body and Independent Review Panels must consider written representations if they are made, the law does not allow 'solely' for paper - based 'meetings', conducted in writing.
56. As long as the conditions for a remote access meetings are met, it is possible for some participants to be present in person and for others to join the meeting via remote access. All the participants must have access to technology which will allow them to hear and be heard by others throughout (and to see and be seen throughout, if a live video link is used).

Timescales for Governing Body meetings

57. If it has not been reasonably practicable for the Local Governing Body to meet in person within the original time limit for a reason related to Covid-19 or remotely for a reason relating to the other conditions for a remote access meeting, the time limit for the meeting will be extended.
58. The time limit for a Local Governing Body meeting will not be extended if it has already passed before 1st June. The government appreciates that it may not have been possible to meet the normal time limits over recent months, due to the disruption caused by the Covid-19 outbreak and the health risks of holding meetings. Local Governing Body should arrange for overdue meetings to take place via remote access, if the conditions for such a meeting are met, or in person as soon as it is safe and practicable to do so.
59. If a time limit for a meeting has been extended, the Local Governing Body should reassess at regular intervals whether it is reasonably practicable to meet in person, and if it is, should arrange to do so without delay, in light of the need to minimise uncertainty for pupils and families as far as possible.

Meetings to consider permanent exclusions and fixed term exclusions over 15 school days in a term

60. If a pupil is permanently excluded or receives a fixed period exclusion which results in them having been excluded for 16 or more school days in a term, then the Local Governing Body should try to meet to discuss reinstatement within 15 school days. If it has not been reasonably practicable for the Local Governing Body to meet face to face within 15 school days for reasons relating to Covid-19, and it has not been reasonably practicable to meet by way of remote access for the reason relating to the conditions for remote access meeting, the limit will be extended to 25 school days, or as long as reasonably necessary for reasons related to Covid-19.

Meetings to consider fixed period exclusions between 6 and 15 school days in a term

61. If a pupil receives a fixed period exclusion which results in them having been excluded for at least 6 school days in a term but no more than 15 school days in that term, and the parent (or pupil, if aged 18 or above) chooses to make representations about the exclusion, then the Local Governing Body should meet to consider the reinstatement within 50 school days. If it has not been reasonably practicable for the Local Governing Body to meet face to face within 50 school days for reasons relating to Covid-19, and it has not been reasonably practicable to meet by way of remote access for a reason relating to the conditions for a remote access meeting, the limit will be extended to 60 days, or as long as reasonably necessary for a reason related to Covid-19.

Timescales for application for independent reviews of exclusions

62. Where the Local Governing Body declines to reinstate a pupil who is permanently excluded, parents, (or the excluded pupil, if they are 18 years old or above) can apply for the Local Governing Body's review of the decision.
63. For exclusions covered under these arrangements, the deadline for applications has increased to 25 school days from the date on which notice in writing from the Local Governing Body's decision is given to parents, or directly to the pupil if they are 18 or above.
64. Schools must wait for the extended period of 25 school days to pass without an application having been made before deleting the name of a permanently excluded from their admissions register, in accordance with the Education, (Pupil Registration) England (Regulations) 2006 amended.

Timescales for meetings of independent review panels to consider permanent exclusions

65. If it has not been reasonably practicable for a review panel to meet in person within the original time limit of 15 school days for reasons related to Covid-19, and it has not been reasonably practicable to meet by way of remote access for a reason relating to the other conditions for a remote access meeting, the timescale for the meeting will be extended to 25 school days, or as long as reasonably necessary for a reason related to Covid-19.
66. The time limit for an Independent Review Panel meeting will not be extended if it has already passed before 1st June. The government appreciates that it may not have been possible to meet the normal time limits over recent months, due to the disruption caused by Covid-19 outbreak and the health risks of holding meetings. Arranging authorities should arrange for overdue meetings to take place via remote access, if the conditions for such a meeting are met, or in person if it is safe and practicable to do so.

Independent Review Panel

67. For permanent exclusions, where the Local Governing Body decides not to reinstate the pupil, parents/carers will be advised of their right to request the Independent Review Panel to review the decision. Should that be the case, the letter from the clerk will note the following information:
- date by which the application for review must be made - this is 25 school days from receiving the notification of the decision not to reinstate;
 - where and to whom the application for a review, including any written evidence, must be submitted;
 - advice that the application will need to set out the grounds upon which a review is requested and that, where appropriate, this should include how a pupil's special educational need and/or disability is considered relevant to the exclusion;
 - a statement that, regardless of whether the excluded pupil has recognised SEND, parents/carers have a right to request the attendance of a SEND expert to advise the Independent Review Panel;
 - details of the SEND expert;
 - meetings will take place via remote access, if the conditions for such a meeting are met, or in person if it is safe and practicable to do so. This will be discussed with the parent and the Independent Review Panel. **See above;**
 - assurance that parents/carers can invite a friend or relative to the meeting;
 - sources for free and impartial advice.

Managed move or alternative provision

68. A managed move or a placement in alternative provision will still be considered by the school, if the pupil is at risk of exclusion.
69. A managed move is voluntary and can only be triggered if there is agreement from both schools and the parent/carer.
70. A risk assessment will be completed before any managed move or alternative provision placement is made with a specific focus upon COVID-19 infection control. A managed move or an alternative provision placement must only be initiated if it is safe to do so.
71. Should a previously agreed alternative provision not reopen fully, schools will review the provision and make reasonable steps to ensure that a revised education offer is considered to ensure engagement and that safeguarding measures are in place.

Use of reasonable force

72. The school does not encourage a 'no contact' policy as there is a real risk that such a policy might place a member of its staff in breach of their duty of care towards a pupil, or prevent them taking the necessary action to prevent a pupil causing harm.
73. The decision on whether or not to physically intervene is subject to the professional judgement of the staff member concerned and should always depend on the individual circumstances. If an alternative method of control than restraint is possible, then this method will be used first. If physical contact is the only suitable method, then this is permitted during this period.

74. Should it be deemed reasonable, proportionate and necessary to physically intervene during an incident then staff have a duty of care to intervene. When doing so they will:
 - be able to change clothing immediately after the incident;
 - take a shower immediately, at home if necessary.
75. Following the physical intervention, the pupil will be isolated and parents/carers will be informed of the incident and advised to collect their child.
76. Following a risk assessment and a discussion with pupil and parents/carers, the pupil should return to school and support plans will be updated as a result.
77. These incidents occur at speed. It might not be feasible to wear personal protective equipment (PPE), but if possible then this is encouraged.
78. Serious incidents involving the use of force will be recorded and reported to parents/carers.
79. In deciding what constitutes a serious incident, the Headteacher will use their professional judgement and consider the following:
 - pupil's behaviour and level of risk presented at the time of the incident;
 - degree of force used;
 - effect on the pupil or member of staff;
 - the pupil's age.

Powers of search and confiscation

80. The general power to discipline enables a member of staff to confiscate, retain or dispose of a pupil's property as a punishment, so long as it is reasonable in the circumstances.
81. The school also holds the power to search without consent for 'prohibited items' including:
 - knives and weapons;
 - alcohol;
 - illegal drugs;
 - stolen items;
 - tobacco and cigarette papers;
 - fireworks;
 - pornographic images;
 - any article that has been or is likely to be used to commit an offence, cause personal injury or damage property;
 - any item banned by the school rules which has been identified in the rules as an item for which a search can be undertaken.
82. Authorised staff can only undertake a search without consent if they have reasonable grounds for suspecting that a pupil may have a prohibited item in their possession. However, this increases risk to the staff member.
83. Should the member of staff decide that there are reasonable grounds for suspicion to search then parents/carers will be contacted to come to school and conduct the search. The pupil will remain isolated but supervised until parents/carers arrive. Parents must wear appropriate personal protective equipment (PPE) while they are in the building.

Review and adaptation

84. Leaders will keep the arrangements detailed in this addendum under review, initially on a daily basis. Risk assessments for individual pupils will be monitored by relevant pastoral staff. Amendments to operational procedures will be made as required and will be clearly communicated to all staff and pupils. A thorough review of the addendum will be undertaken at each phase of reopening, as the numbers of pupils admitted to school alters.
